Dear Governor:

I would like to congratulate you on your appointment as Governor of the Central Bank of the Republic of Kosovo. Given your experience as Deputy Governor and across Kosovo's government, I am confident that under your leadership the Central Bank of Kosovo will continue to make progress in strengthening financial sector stability and deepening financial intermediation, and addressing new challenges as they arise.

Together with my management and staff colleagues, I very much appreciate the close cooperation between our two institutions, and look forward to continuing our excellent relationship under your stewardship.

Sincerely yours,
