**\* According to the Regulation on Insurance Actuaries, approved by CBK on March 31, 2016**

- a) "Insurance Actuary" means any professionally trained person who has the appropriate training and is qualified as an actuary or is registered as such in an institution or professional institution recognized by the CBK. An insurance actuary may be a legal entity established with headquarters in the Republic of Kosovo to carry out actuarial insurance activities or a natural person who carries out actuarial insurance activities for insurers;
- b) "Appointed actuary" means the qualified actuary appointed by the insurer to complete the report on the actuarial valuation of the technical provisions and summary of actuarial opinion, actuarial calculations and working documents;
